

KAESLER

Late Harvest Semillon 2005

The 2005 Late Harvest Semillon was made from our 45 year old Semillon vines. We picked the grapes quite late in the season, when flavours were very ripe, but retained good natural acidity and freshness. The fruit was then gently pressed and fermented in stainless steel. No oak maturation.

Colour: pale straw with green tinges

Nose: Bright floral aromas, honeysuckle, stonefruit characters

Palate: Semi sweet on the palate with fresh fruit salad characters of pears and nectarines. Good length with crisp acidity and slight mineral finish

Notes: Enjoy this wine with food such as fresh fruit and cheese or as refreshing aperitif on a hot day. It's not too cloying and the finish leaves the palate clean.

Age of vines: Estate plantings established in 1961

Alc: 12.0%

TA: 6.2 g/l

pH: 3.21
